September 2nd -14th

Message from the President

Home from the Florida National and what an enjoyable time everyone had. Mid Florida GRC did an outstanding job at a beautiful site. Now it is time for CVGRC to get down to the true nitty gritty of putting the 2022 National all together. With this in mind, Don Burlett, our General Chair for 2022 National, will be joining us at our next general club meeting on November 22nd at 7:00pm, to discuss where we are in the planning and where we need to go. This will be a zoom meeting which should make for easier attendance so hopefully everyone can join in and be part of the discussion/process. Remember, it takes a village to put on a National.

This is also our election meeting and voting will be offered on line and votes cast electronically.

I want to thank everyone who worked the Eye and Heart Clinic on September 25th. It ran very smoothly thanks to these volunteers: Karen Phillips, Andrene Schabel, Dianne Ross, Donna Edwards and Karen Bodner. Thanks to all of you, we couldn't have done it without you.

I would also like to thank Carol Young for the use of her home for our last meeting. What a beautiful place for the dogs and I know we all enjoyed sitting outside enjoying the view.

See you on zoom on the 22nd.

~Vicki

2022 GRCA National - Update

Folks,

I want to thank everyone that attended the national in Florida and helped with the sales booth. It went very well and that help was greatly appreciated. Our logo was a hit and our merchandise sold very well. If we hadn't had shipping/job completion problems with our supplier, we might have made even more money. Great work gang.

I also was proud of everyone from CVGRC that showed there during the week and showed what great goldens we have. Very nice work!

Our intrepid "partyers" did great at the Halloween party, winning best costumes for our group. They were crazy and had a lot of fun.

I spent a great deal of time looking over the setup they used and how things were handled. Talked to a great deal of people and took copious notes. By tomorrow, I will have rested enough to work out my notes and prepare to pass along stuff to everyone. I have lots to discuss. I also have a bunch of pictures to help make sure everyone understand the scope of what we are going to be doing. Watch for them soon.

I also have been working over data and will send some information to folks to help refine budgets and get them really refined.

Event chairs – watch for a call to begin the application for your events. We have AKC and GRCA applications to complete for events this fall.

I'm still looking for contracts signed by judges for some events. I'd like to see them shortly.

It's time to get serious and starting checking off tasks that need completed. I still need a confirmed agility chair, I need a volunteer coordinator and I need a carpenter for a couple of projects. More on these needs later.

Thanks again everyone for all the work and I look forward to really getting down to work on our national.

BRAGS and NEWS

My youngster, Duncan, passed his certification track this morning under judge Karen Phillips. Since he pulls like a maniac, Duncan now has a male handler, Mike Lehman. Thanks Mike and Karen! All I had to do was take pictures...piece of cake!

~Rosemary Janoch

Bump Furtwangler

Gideon's Trick or Treat, RN, LC. CGC, "Boo", (Vicki White) earned her NAP title, 2 legs in NJWW, and 1 leg in Open Standards, all with scores of 100 and 1st place, at CAPS on Oct. 15th-17th. Not bad for an old girl (9).

BRAGS

The father and son tag team had a banner weekend at the scent trial. Finn finished his final excellent leg to earn his SWE and Duncan earned his final advanced leg to earn his SWA. To put the icing on the cake, Duncan earned his Excellent Container title. Duncan is hot on his father's tail. Love these two boys!

~Rosemary Janoch

Finn finished up his CD title with two first places, scoring a 197.5 both days. It only took me 9.5 years, but we finally got that dang CD. Good boy, Finn!

BRAGS and NEWS

I was at an agility trial the last 2 weekends. Punch passed three open standard classes to earn his open standard title, earned two open jumpers legs plus a bonus excellent standard leg! Woohoo!! Summit was a little rough around the edges after spending the last several months training primarily for hunt tests. He did pick up two master jumpers legs and 27 points. Good boy. Crash was along for the ride, so I had to get his picture too.

I took my two boys Worf (Top Flight's Cayuga Klingon CD MH12 NJP OAP WCX) and Spock (Emeline's One Hot Vulcan MH12 WCX CCA) to the GRCA National specialty. Both dogs passed the Master Hunter test (for Worf that was pass #20, for Spock pass #13). In addition, Spock earned his CCA and made it to the third series of the Qualifying stake at the field trial. It was his first field trial. On the way back home we ran a Master test at the Central KY Retriever Club where Spock earned Master pass #14. Spock ran 6 Master tests this season and passed all of them!

The ring gating has big slate gaps and there's activity going on all around the ring, yet she had perfect focus and QQed, and then went on to win High in Excellence Preferred on Monday

Tori

GCHB Lakesydes Dancing in my Underwear at Misty Meadows

To say Tori is a dream come true is an understatement! To know her is to love her. She danced her way through her Championship at 16 months, a Best in show at 20 months, multiple Best in show specialties and gaining her SDHF at just over 2. She was number 1 Golden for many months with limited showing, garnishing several other prestigious wins along the way. Tori had taken some time off for motherhood for two exciting litters that will be hitting the rings soon. We cannot wait to see her continue to exceed all our expectations and wildest dreams!ds!

Darcy was shown at her first National in Ocala which was also her debut in the Am Bred division. She is 18 months old.

She was awarded GRCA's CCA under evaluators Nancy Talbott, Patricia Flanagan and Patrice Loves.

And the award for Best Costumes at the National Halloween Party goes to our own group, who always have a well-executed plan...and have more fun than anyone! Congratulations!

Tyko loves his field work! We ran 4 MH tests this summer after finishing his SH and failed all four. Two were from the Stick pond at Hambden (which we've continued to work on and he is doing great), one was just too big of a test for a very green Master dog, and one was my fault! We will be ready for next summer's test season!
