# BRAGS

2020 has been a very interesting and different kind of year. Covid-19 has done a lot to change our lifestyles and plans. One of the hardest things for me was to accept the cancellations of the agility trials in March. Ryzin and I only needed 17 more points and we would have our MACH ( a dream I've had for the past year ) Well, as you all know, that

couldn't be realized until the agility trials finally resumed in June . The first weekend ended with a great run but Ryzin decided he HAD to sniff the table for at least 3 seconds. Groan ! Now we were down to needing only 1 second !!

The next weekend I kept making mistakes ( my fault because of nerves ) Agility is a team sport and we both finally got our act together the last day of the trial. A friend took a video of the run and I still cry every time I watch it.

Ryzin has been a very busy boy - Aside from the last major for his championship, he has been trained and handled by my granddaughter and me. Little did I know when Ryzin came into my life, how exciting the journey would be. So many firsts !!!!! My first Champion, first Master Hunter, first MACH and first UDX. He even got BOSS in Gun Dog Sweeps at the 2015 National. Now Ryzin gets to do fun things like barn hunt and scent work and maybe get back to tracking . Hey it might even be fun to put a CT on him !!!!!!!

# AND MORE BRAGS!

**"Gideon's Canterbury Tails"**  
(Daniel x Pepper)

went to his 1st show and won Best in Sweepstakes and took Reserve Winners Dog at the Columbus Golden Retriever Specialty. So proud of this boy, 1st show ever and only 11 months old. Think we are going to have a lot of fun!

*(Vicki is going to learn how to scan her win photos so she doesn't have to send me a picture of the picture)*

And Karen Phillips reports that she attended the CABTC/BTC scent trial on 12/13, Alle completed Leg 2 towards her Advanced Interior title and "Bend" successfully completed his first leg in Novice Buried. No titles this weekend, but always nice to get some "Q's"!
