Message from the President

Happy New Year to CVGRC members. As we start this new year I look forward to working with the club to insure that we are a positive, productive group even while living within a world suffering under a pandemic. In the coming year we have a major challenge in front of us with the responsibility of, as the host club, planning the 2022 GRCA Golden Retriever National. It is going to take all of us, whether in a major role, or supportive, to make this happen. To try and meet this goal, during shut downs and social distancing, we are planning regular club meetings by way of zoom meetings to try and bring everyone together. I want to thank Karen and Richard Hardy for setting this up for us. Tentatively, for as long as health concerns continue, these meetings will be held monthly and will periodically offer a program. Our first zoom meeting, a Board meeting, will be held on January 25th, at 7pm. (details on how to get on line for these meetings will come later). Everyone is welcome to join. We are already planning the next meeting, a General Meeting, for February 22nd where we will be presenting a Canine First Aid Program with a guest speaker. If anyone has suggestions for future programs, please let me know. In the meantime, stay safe.

~Vicki
