2022 GRCA National Specialty – A Community Project

As any organization knows, taking on a “big task” can often be a complicated and make you feel overwhelmed. And that is when things are going okay. Throw a wrench into the works and things get even more chaotic. That is the story of the former “2021 GRCA National”. As everyone in this club knows, when the club took this task on a few years back, things were going well until the site was lost. Several other things have happened, and we have had to regroup.

As the General Chair of the event now (having done this job back in '03 – eons ago), I have tried to get us organized and focused on the task at hand. Elsewhere in this newsletter, you will see a listing of the people who have volunteered to handle a variety of important jobs for this National Specialty. As you can see from the size of the list, there are a lot of jobs to handle and these all intertwine into a complex web of work. I am happy with the support shown so far. That said, we can always use more people to assist in some of these areas. (continued)

September Meeting Minutes

National: Golf outing was very successful with lots of money raised. Workers are still needed for the agility fundraiser
November 13,14,15, 2020

Newsletter: Megan has resigned as newsletter editor. Cappi Mercer was “volunteered” to be the new editor. Vicki will send her samples of old newsletters. Amy will send her the template. Still needs a cut off date for submission of material and for mailing.

Website/Facebook: Still a major problem with both the website and Facebook. Even if it can not be updated, the old stuff needs to come off. Andrene gave examples of some sites to visit.

Specialty 2020: Cancelled due to Covid 19. 2021 will be held in conjunction with Pittsburgh again. Beckie will work on this and coordinate with Amy Benson and Tammy Tomlinson. Vicki will help her with background information.

Hunt Test: No report

Awards/Banquet: Cancelled due to Covid. Will look at rescheduling.

Elections: Due to Covid 19, meetings have not been held this year. Therefore, it is impossible to use the criteria (required number of meetings, etc) set up in the by-laws/constitution for the selection a slate. As a result, the following method will be used for this year only: Amy will put out an email to the membership asking members who are interested in serving to submit their names by October 9th for consideration and said names will be compiled by the board and published for the membership to vote on. Election date will be November 23, 2020.

Meeting adjourned at 2:45 pm.

Members in attendance: Steve Harmon, Amy Harmon, Sue Sanvido, Beckie Gang-Jordan, Andrene Schabel and Vicki White.

Respectively Submitted, Vicki White,
Recording Secretary

2022 GRCA National Specialty – A Community Project

(continued)

Several points should be made about volunteering for this type of task. It is important to understand that volunteering to do a job and doing it are two different things. As a person who has run numerous organizations, a volunteer in name without the work is worse than an open spot. Once you volunteer, you need to follow through with what you said you would do. Second, a National Specialty is a complex task where all activities intertwine and involve cooperation. Hospitality is involved in all sorts of activities. Grounds work involves making sure that facilities and movement of people is smooth and under control. Any “event” like a Hunt Test requires hospitality for lunches and other aspects, volunteers to coordinate parking, signage for participants and spectators, volunteers to help run the event, raffles and trophies/ribbons and many other items. We have all participated in a single event at some time. Helped run a WC/X test, specialty show or other activities. Just multiply that by 100 times to get how much is involved.

So, in addition to club members, we are recruiting people from other clubs and friends of all sorts. You can be part of this by helping with a committee, bringing friends and family into the activities, and spreading the word about the event.

The event has now been moved from our original date of September 2021 to September 2022 because of the corona virus pandemic and we all hope that nothing further happens to cause issues. The site, which was originally in Ohio, has been moved to Michigan (but as close to Ohio as possible) at the Monroe County Fairgrounds along with field event sites near Lansing and northwest of Lansing. It was available and they have gone out of their way to allow us to do this by allowing us to use the grounds beginning on Labor Day weekend when they are typically closed. We have the facilities, we have a schedule (September 2-14, 2022) and we now have a group to handle all the details. We plan to run all the events possible except for tracking a this national. What we need is support from all CVGRC members, in whatever way possible, to help make sure we do a great job and provide the Golden Retriever world with another fantastic national. We did that in 2003 and that is our aim this time.

We have periodic meetings to go through the various tasks and concerns that need to be handled. Inquire with one of the committee chairs or me if you want to get involved and see where you can help. It will take a community to do this and I look forward to working with all of you.

Hello from the Editor!

Hi! Bear with me as I learn to navigate newsletter templates and computer programs and hopefully get complete member list! I know there will be lots of information about the 2022 GR National to include, but I also need you to forward me any interesting articles, local events, or any other information that could be included. I'll keep a file, so just send me anything you have. My goal is to get the newsletter out around the 15th of each month, and I'll let you know if we change that. The earlier you get information to me, the easier it will be to get the newsletter out in a timely manner. You can reach me at [440-871-1171](tel:440-871-1171) (cell/text) or cmrcer900@mac.com

Updates from Tara:

1. **2019 Awards** Our club did not hold an annual dinner in 2020. It was decided to move it from winter to a summer picnic which was canceled due to COVID limitations. In order to recognize the members and their dogs that had accomplishments from 2019 we will accept applications for an award and mail them. Please submit your application to Tara Perby by October 30th. The form is on the club website as well as included on the last page of this newsletter.

2. **Elections** Our annual elections are coming up in November. We are working on finding a suitable location to hold a club membership meeting. Here is the slate of officers and Board members. There are 2 openings for the Board. We have more than 2 volunteers so we need your selection at the meeting.

Updates from Tara: (continued)

3. Field Committee News: Our June Hunt Test was a success. It was the first event of the season since so many canceled due to COVID restrictions. Our event was discussed and approved by the Geauga County Board of Health and we proceeded without incident. We had 227 dogs entered and made a profit of \$7,501.92.

Thanks to the club members that worked all weekend: Kathy Koenig, Marilyn Richards, Christy Thomas, Joan Durback, and Sue Sanvido, We also held our annual WC/WCX in September. The entry was our largest in many years. We had 42 dogs and made a profit of \$698.85. Once again our club members stepped up and for this event we had no paid workers. Vonnie Peterson and Marilyn Richards judged for us. Look for photos and results in the GR News.

Christy Thomas is coordinating an ad in the November Field issue of the GR News. Club members who have achieved field titles this year are submitting photos to Christy for the ad.

CVGRC BOARD MEETING OCTOBER 14, 2020

The meeting, held at Olive Garden, Montrose, Ohio, was called to order by the President, Steve Harmon, at 1:15 pm on October 14, 2020.

Membership: Cappi has been working to develop an accurate and current membership list to use for newsletter mailings. Lists developed by several members were compared and combined and Cappi feels she will be able to put a final one in place within the next few days. A major issue surrounds the term "life time member". It appears to have been misinterpreted and applied based on the number of years as a member, rather than the way it is stated in the by-laws where it is used as a recognition award for outstanding service. Decision made to revise the by-laws and bring them into compliance with the current usage of the term.

Financial Report: Tara stated it was up to date.

By-Laws: No report. Still need to check and see if they were sent to AKC.

Ways and Means: No report. Still need a review of current inventory and report back (continued)

(continued)

National: The following were/are being held as fundraising activities: Agility trial last week went okay. Cleveland All Breed was pleased that the CVGRC committee jumped in and worked. Next agility trial is scheduled for November 13, 14, and 15th. There are 5 individuals scheduled to serve as committee members. There is also a heart/eye/echo clinic schedule for October 24th. Don has scheduled a National Committee phone meeting for Nov.13th at 7pm.

Newsletter: Cappi reports she has it 99% ready to go, just waiting on a few items. Still needs a cut off date for submission of material and for mailing. Anyone with something to include, including Brags, please send it to her at cmrcer900@mac.com

Website/Facebook: Still a major problem with both the website and facebook. Anyone with skills, or knows someone who would be interested, in this area, PLEASE VOLUNTEER.

Specialty 2020: No new report.

WC/WCX:

Awards/Banquet: Banquet will not be held this year due to Covid 19 and banquet halls not being available. Awards for 2019 will be mailed out. The application is on the last page of this newsletter.

Elections: A slate of officers for 2021 has been compiled and will be sent out to the membership. The slate of officers nominated for 2021 is as follows:

President: Vicki White

Vice President: Andrene Schwbel

Recording Secretary: Sue Sanvido,

Corresponding Secretary: Kathy Koenig

Treasurer: Tara Perby

Board Members: (term 2021 -2022)

(select only 2)

Karen Bodner

Donna Edwards

Beckie Gang Jordan

Carol Young

Elections will be held on November 23, 2020. A location for the meeting is being researched and will be announced asap.

Meeting adjourned at 2:45 pm

Members in attendance: Steve Harmon, Amy Harmon, Andrene Schabel, Cappi Mercer, Karen Bodner, Kathy Sutliff, Tara Perby (phone) and Vicki White.

Respectively Submitted, Vicki White, Recording Secretary
