If you breed, show or judge golden retrievers, you really
should consider watching a hunt test! You then will
understand WHY goldens are suppose to be built a certain
way and why the standard calls for a "moderate" dog in
substance and coat.(Thanks, Pat Flanigan!) You also will
understand why we work on all the "pieces" in obedience
class (Thanks, Christy Thomas!) Just my two cents after
helping at the CVGRC Hunt Test over the weekend.

Message from the President

June is always a very busy month for CVGRC
between the Hunt Test and the CVGRC Specialty
in combination with the Pittsburgh GR Club.
As a result of these rather time intensive events,
CVGRC does not hold a June meeting. In July
we will have our first face to face meeting in over
a year with a picnic to celebrate the achievements
of our members and their goldens. The gathering
will not only recognize titles earned, but also a
recognition of our veteran dogs. Please mark your
calendars for July 20th (a Tuesday) and join friends
and dogs for a fun outing. (Details later in this
newsletter).

The 2022 National is getting closer and closer.
While we have committee chairs pretty well in
place, we still need volunteers to help. Every little
bit of assistance adds up and in the end make a big
difference in what we can accomplish. You do
not have to be planning on attending the National
you can still be a valuable part of the team. We are
going to need help getting donations, mailings,
making decorations, building displays/platforms,
etc. If you are willing to help in anyway, please call
Vicki or talk to any member of the National
Committee.

If you are on one of the 2022 National
Committees, mark your calendar for October 2 at
the Monroe (Michigan) Fairgrounds

~Vicki

“Hailey” Gideon’s Y Not .. participated in her First Scent Trial at CABTC. She rose up to the challenge of some very difficult hides and obtained four qualifying scores including a First (Interior) and 2 - Fourths (Container and Interior). It took a long time and a lot of perseverance for Hailey to be prepared for this challenge which makes us appreciate her success that much more! And little sister Darcy earned her DJ dock diving champion award and will be at conformation shows next week.

~Karen and Richard Hardy

“Rhaena” Journey’s Girl Can’t Help It has joined the family! They are so in love with her and thankful to Jan Furtwangler for entrusting them with this darling girl!
