WC/WCX warm up registration

### *Mark your calendars!*

The **WC/WCX practice day** at Ann Lynn's is changed to Saturday, **August 26 at 8:30 am** **Registration form and information** about this meeting event on page 7, and on the website. Club members who are curious or not quite ready to test are more than welcome to come (with or without a dog) and observe. Ann will explain what is going on and show us things. She will have dead ducks that people can use to expose a dog/puppy to. This is a great opportunity to learn more about field work from a very knowledgeable person. Contact Ann with any questions.

### *Upcoming Events:*

CVGRC sponsored agility Trials (CABTC) August 12-13th at CAPS field house. As always, we can use some people to help. Half day, whole day, both days. Anything is appreciated. Please let Andrene know if you will be there or can help. <https://cabtc.org/agility-trials/>

WC/WCX Sunday September 3 at Buckeye Training Club in Chardon.  
Please let Tara know if you can help.

New member application from Wendy Bush and her son, Matt. Matt shows their golden, Forza, in conformation, and is also working in obedience and field. Wendy attended the Picnic/Swim Party and was able to meet some of the members.

The June Specialty was a HUGE success! As we all know, it takes a village to pull these events off. Many thanks to club members who helped at the GRGRC/CVGRC specialty June 22-23-24-25th in PA.

Rochelle Andonian, Karen Bodner, Donna Edwards, Amy, Steve, Nathan, and Annie Harmon, Vonnice Peterson, Sue Sanvido, Andrene Schabel, and Vicki White.

Finn and Duncan fell asleep at the scent trial today at Cleveland All-Breed. I love how this father-son team are the best of friends! I have avoided showing at the Master level, but I put on my big girl pants this weekend and am delighted to say that Duncan qualified in two of his four Master Container classes including a first place. Way to go, little buddy!

## WC/WCX Practice Test

8:30 AM Saturday, August 26, 2023

Lynn Property (1471 Fixler Rd, Wadsworth, OH)

This will be a chance to do a run thru of a WC/WCX test. It is not designed to teach a dog how to do the tests, but training is allowed. In addition, you can get coaching and suggestions for handling.

We will use ducks, but no flyers. Everyone physically able should bring a white shirt and be prepared to take a turn working in the field. Bring a chair, water, food, etc.

This is open to CVGRC members AND non-members, so spread the word. Registration will be limited to 10 WC and 10 WCX dogs. Pre-registration is required to ensure that we have enough ducks.

Cost is \$10.00 a dog to defray duck expenses.

If you have any questions, contact Ann ([alynn@ithaca.edu](mailto:alynn@ithaca.edu), 607-592-8227)

### Pre-Registration (Due August 12)
