Upcoming Events:

WC/WCX Sunday September 3 at Buckeye Training Club in Chardon. Please let Tara know if you can help.

Help! In need of someone who is driving to the National in Oregon: I have an item for the Golden Retriever Foundation. It's in a tube, not that big. If anyone is going, could you please call Sue Sanvido, 440-235-3686

Long time CVGRC member, Judy Drotar, passed away on Wednesday July 19. She was actively involved at Youngstown All Breed Training as well, and served as Corresponding Secretary for many years at the club. She also was the Obedience/Rally Secretary for many years for not only YABTC but also for the Gordon Setter Club, Irish Setter Club, and Golden Retriever club specialties. Even when she was stricken to a wheel chair, she continued to show her Goldens. She was a life time member and a untiring volunteer for the club.

News and Brags

At the CABTC obedience trial on 7/23,
Bend got his 2nd Open A leg.

~Karen Phillips

Xander and I earned our
MACH2 on 8/11 at
Cleveland All-Breed's
agility trial.

~Kathy Lester

This weekend Tyko competed in Open B and Utility B at the Lorain County Kennel Club obedience trial. Tyko won the Open B class on Saturday and earned his second High In Trial. On Sunday, he placed 2nd in Open B. Utility presented us with some challenges. Tyko earned 3 OTCH points, bringing his total up to 56 points. Most our summer has been spent training for his Master Hunter title so I was very pleased with his performance at these trials!
~Proudly owned by Christy Thomas

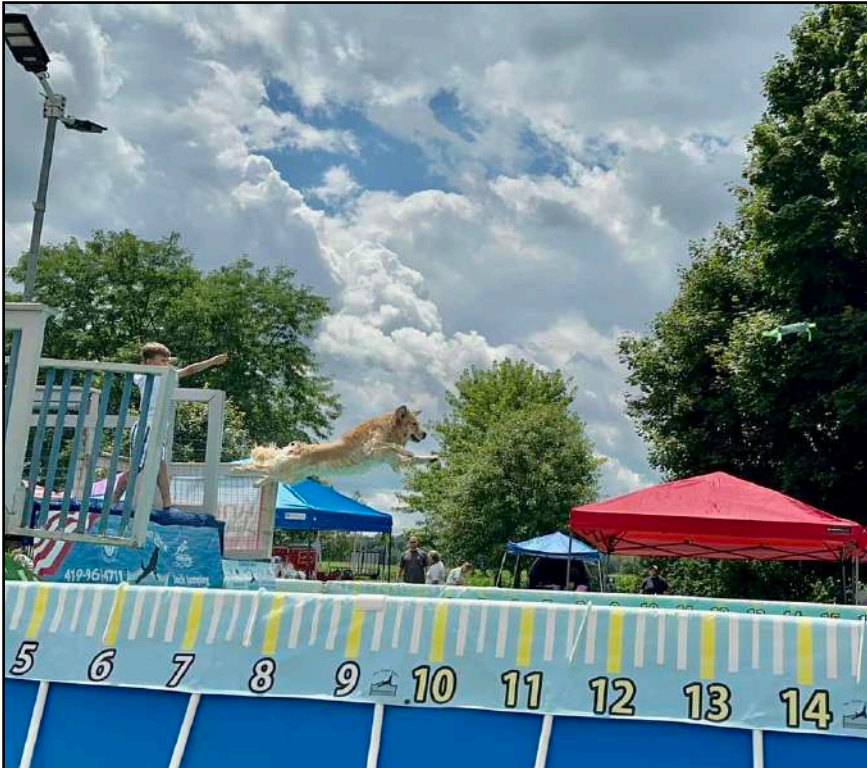

Tyko earned Master Hunter pass #2 and he really made me work for it!
~Christy Thomas

Rory came all the way from Australia to be with his "Arf, Arf" Beau-D
~Christy Thomas

Beau-D doing one of his favorite things!

Darcy, with Junior Handler Henry competed at The Gated Dock and Canfield., qualifying in both distance and hydrodash.
-Richard and Karen Hardy

After the dock diving meeting, it was evident that Forza was a natural! She quickly mastered the dock, and earned her first qualifying jumps at The Gated Dock's July event. She and Matthew then went on to Canfield for more qualifying jumps and her DN title! Now that she has the concept down, we will be working on her distance and teach her Air Retrieve and HydroDash.

~Wendy and Matthew Bush

Master leg #11 for Minx. She is living up to her name by exceeding my expectations!

HR Minx, best dog ever to help me over my issues handling a gun. We're looking forward to giving Finished a try. Thanks High Flyers HRC for a fun and well run weekend.
~Tara Perby

Spock earned another Master pass at Presque Isle this weekend. It was a very nice test thanks to judges Jan Masica and Mitch White. I really enjoyed seeing friends from [Finger Lakes Retriever Club](https://www.fingerlakesretrieverclub.com). But the big highlight was celebrating my friend and training buddy Pat Rose's second Master pass on her (soon to be) third MH poodle.

~Ann Lynn

Super fun weekend of agility!!
 Score earned QQ 45 (with a 2nd place in std) and Cash earned his MJB title! Both boys had really nice runs!! Cash was one darn thing away from a QQ today too!! (DAH moment!!!) Score says "Senior... who's a Senior dog??? Not me!!!!"

~Kathy Koenig

Cash earned another Master Pass this weekend at the PIRC test. I was especially happy with Cash's third series! A triple with a double water blind!! Very fun! Thanks to the [Presque Isle Retriever Club](#) and all the great workers too! Score wanted in on the photo shoot too!

~Kathy Koenig

Sonny and Chris won their Open class at the Oberlin show on Saturday 5/12. On Sunday, the team again won the Open Class, and were awarded Reserve Winners Dog!

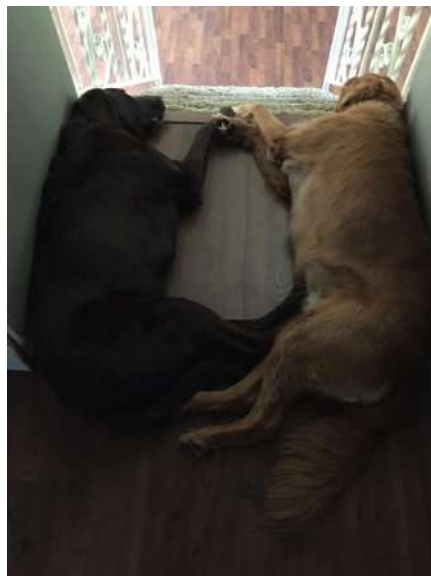

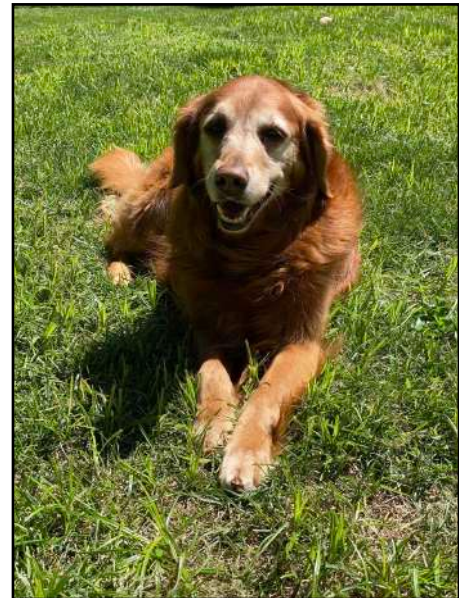

~Chris and Gwen Eyerman

We are heartbroken by the loss of our "Baby Girl" Leah. I miss watching her explore the yard everyday and doing her favorite...car rides. I hope you are playing with your Rio.

~Brian and Holly Tolley

Tommy is watching it rain, and waiting for the Browns delay.

WC/WCX Practice Test

8:30 AM Saturday, August 26, 2023

Lynn Property (1471 Fixler Rd, Wadsworth, OH)

This will be a chance to do a run thru of a WC/WCX test. It is not designed to teach a dog how to do the tests, but training is allowed. In addition, you can get coaching and suggestions for handling.

We will use ducks, but no flyers. Everyone physically able should bring a white shirt and be prepared to take a turn working in the field. Bring a chair, water, food, etc.

This is open to CVGRC members AND non-members, so spread the word. Registration will be limited to 10 WC and 10 WCX dogs. Pre-registration is required to ensure that we have enough ducks.

Cost is \$10.00 a dog to defray duck expenses.

If you have any questions, contact Ann (alynn@ithaca.edu, 607-592-8227)

Pre-Registration (Due August 12)
