RECENT EVENTS

During the month of March, CVGRC had not one, but two, successful events!!

Grooming Workshop, Live and Hands On!

March 16th at Medina Kennel Club

Donna Edwards and Vicki White delivered a stellar presentation on how to groom our goldens for home. Not only did they demonstrate the grooming techniques, but they also described the benefits of maintaining trimmed feet and ears. When the fur between the dog's paw pads is long, it does not dry easily, and it can collect bacteria and dirt. This puts the dog at risk for fungal or bacterial infections on their feet. Keeping the golden's fur on the bottom of the feet between the pads well-trimmed prevents moisture retention. This has been especially helpful thus far this Spring season as our area has seen so much rain and therefore, wet & muddy paws. So, please join me in giving **A BIG THANK YOU** to Donna Edwards and Vicki White for their time and patience as we learned the proper grooming techniques. A great time was had by all!!!

All Breed Health Clinic

Sponsored by CVGRC

March 30th at Medina Kennel Club

Dr. Robert Hamlin, Board Certified Cardiologist (Ohio State University)

Dr. Parker Wilcox, DVM, DACVO, Board Certified Ophthalmologist

Several dogs received exams for eyes, auscultation, and echocardiograms. The entire experience from sign-in through exam completion was smooth and efficient as a result of the hard work by all of the volunteers and medical providers. Special thank you to Dr. Robert Hamlin, Dr. Parker Wilcox, and Assistant Theresa West for providing outstanding attention and care to all of the dogs on that day!!!

A BIG THANK YOU to everyone who came out to help with a special yell out to Donna Edwards, Dianne Ross, Andrene Schabel, Karen Phillips, Sue Sanvido, Maureen Kilrain, Ann Lynn and Karen Groth. Without your help, along with the doctors and Assistant Theresa West, we would not be able to provide this service to the dog community. Thank you again. Vicki
